Web: www.universityscuba.org

Course Description: There are two options for becoming an instructor

1. ITC - This is a 10 day program design around total immersion with the material, 4 candidates are required for start.
2. IPP – This is a designed “internship” where you will be tested on your skills and knowledge when your mentor believes you are ready, 4 candidates are required for testing.

Prerequisites: All candidates must have a current AI or DM card.

Course Goals: Our goal is to make safe, effective, and fun instructors

Class Schedule: The schedule will be provided by University Scuba as candidates and class orientation have been selected.
